PART: STATEMENT OF FACTS

On Aug. 4, 2000, Ron Calzone incorporated Missouri First, Inc. as a Missouri Non-profit. (Exhibit A) Mr. Calzone has for 14 years presented himself as representing "Missouri First". He has served as President and /or Secretary/Member of the Board for all of those 14 years. (Exhibit B)

Although their website claims they are a not-for-profit and tax exempt (See exhibit C), no Federal 990 Tax Returns can be found.

According to their Charter (Exhibit D) their "Methods of Operation" state that "....legislative lobbying and citizen involvement may be used toinfluence public policy".

Since 2000, Mr. Calzone has continuously and consistently lobbied members of the Missouri General Assembly on issues relating to right to bear arms, common core standards, property rights, and privacy of records. Section 105.473.1 (RSMo.) states "Each lobbyist shall, no later than January fifth of each year or five days after beginning any activity as a lobbyist, file standardized registration forms, verified by a written declaration that it is made under penalties of perjury, along with a filing fee of ten dollars, with the commission". Mr. Calzone has not filed such registration and therefore is in violation of the law.

He has engaged in numerous conversations with legislators including Rep. Doug Funderburk (3/26/2013), Rep. Kurt Bahr (3/27/2013), Sen. Ed Emery (4/10/2013), Rep. Mike Kelley (5/2/2013), Sen. Jay Wasson (5/14/2013), Sen. Ed Emery (3/31/2014), Sen. Brian Nieves, Sen. Jim Lembke, Sen. Will Kraus, and Sen. Kurt Schaefer. In addition he presented collectively to the House Republican Caucus on Sept. 10, 2013.

For several years, Mr. Calzone has constantly worked out of the offices of Sen. Brian Nieves using them as his own "office" in the Capitol.

Mr. Calzone has repeatedly appeared before numerous House and Senate committees over the last 14 years in support of or in opposition to many bills relating to the issues listed above. In addition to his personal appearances before committees, Mr. Calzone solicits witness forms from supporters with the expressed purpose of personally delivering them to the committee members. (See Missouri First website pages -Exhibit E)

When testifying he consistently identifies himself as a director of Missouri First, and then declares that he is not a registered lobbyist, and doesn't need to be because he does not get paid.

Because of these activities over the past 14 years, where Mr. Calzone has designated himself to act on behalf of Missouri First, the organization he created, he meets the definition of "legislative Lobbyist" as defined in 105.470 (4)(c) and has for 14 years failed to register as a Lobbyist as required by 105.473. Further section 105.473 .3(1) (RSMo) states the "During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist, legislative lobbyist, or elected local government official lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month." Failure to file such reports subjects the individual to a ten dollar a day late fee. Mr. Calzone has failed to file a monthly lobbyist report for over fourteen years.

Although Missouri First is a not-for-profit organization and is therefore tax exempt, contributions to it are not tax deductible. We have chosen this method of organization so our activities wouldn't be restricted by tax laws. None of the officers, board members, or other members are compensated in any way - all of your contribution goes toward fighting for the sovereignty of Missourians!

You are welcome to specify what project your contribution goes toward, or you may request that it be placed in the general fund.

Charter

Statement of Purpose

Because we recognize man's dependence on God, **Missouri First** concurs with the Missouri State Constitution, which says, "*We the people of Missouri, with profound reverence for the Supreme Ruler of the Universe, and grateful for His goodness, do establish this constitution. for the better government of the state.*"

Missouri First recognizes that "*Rugged individualism, buffered by a Godly concern for others*", is the essence of our state's character. Sovereignty is essential if we are to preserve this character.

Because we recognize that there exists a multiplicity of values, characters, and aspirations among these great united states, as well as the rest of the world, and that not all are congruent with those of Missourians, **Missouri First** seeks to assert and defend the appropriate sovereignty of Missourians. **Missouri First** maintains that the people of Missouri retain all rights of sovereignty, except those they have expressly delegated to the Federal Government in accordance with the original intent of the US Constitution of 1787 and the state of Missouri in her Constitution.

Missouri First affirms that Missouri is not a universal state and that mankind has no claim to her; that to be a Missourian is to first love her hills and mountains, fields and forests, streams and rivers, towns and cities, to cherish her history and traditions, and to share common memories with her people. To be a Missourian is to love liberty. **Missouri First** asserts that these Missourians are the heirs of this land, and they will determine for themselves what course she will take.

Scope of Operation

Because there are issues on the international, national, state, and local levels which can impact the sovereignty of Missourians, there are no particular limits to the scope of operation of **Missouri First** as long as the issues being dealt with are in compliance with the intent and the spirit of this charter.

Missouri First does not trod the well traveled roads, but rather seeks out the rugged, long forgotten paths which lead back to the founding principles of our land. Consequently, **Missouri First** prefers to deal with the issues neglected by others, but will work in the areas where it can make the most difference.

Methods of Operation

Missouri First will give priority to educating and mobilizing the public to meet our objectives. Media advertising, public oratory, informational seminars, legislative lobbying, and citizen involvement may be used to teach or to influence public policy. Realizing that our children

represent our future, **Missouri First** will work with public, private, and home schools.

Missouri First will campaign for legislative and ballot issues, as well as specific candidates who further our stated objectives, but will not lobby or campaign for a particular political party.

Guiding Principles

Whereas:

- This union of states was originally founded upon Christian principles...
- The role of the Federal government is limited to those powers specifically delegated to it by the U.S. Constitution and "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."...
- The Federal Government has entangled the nation in unwholesome international relationships...
- The Federal Government has usurped the sovereign, constitutional rights of the States and individual citizens...
- In an affront to the liberty of Missourians, and in contradiction to the original intent of the Constitution, the Federal Government has directly levied taxes on citizens...
- The State government has usurped the rights of local entities and individual citizens...
- The specific role of state and local governments is to do those things of common interest which can not be done or can not be practically done by individuals. Citizens should be most affected by the governmental body nearest them, since it is most easily held accountable...
- Citizens and businesses are overtaxed, thus inhibiting the proper exercise of individual liberty and responsibility...
- Our ideals and character are being diluted and corrupted...
- The express God-ordained purpose of government is to be "a minister of God to you for good" and to act as "an avenger who brings wrath upon the one who practices evil". (ROM 13:4) **Justice is expected by God...**

Therefore Missouri First will:

- Teach about the Christian and Constitutional heritage of this nation and dispel the false notions about 'separation of church and state' and the authority of the Federal government over Missouri's handling of religious matters.
- Work against unwholesome international relationships and promote state, local, and individual sovereignty so local residents can establish public policy that promotes local values without interference from outside influences.
- Promote proper application of the Bill of Rights.

- Cultivate a demand for public policy which will promote **Missouri First's** Goals.

Membership

Membership is available by invitation by the Board to Missourians.

Honorary membership is available to non-Missourians by invitation of the Board.

Special Advisor to the Board affiliation is available to Missourians and non-Missourians by invitation of the Board.

Special Spokesman for the Board status is available by invitation of the Board.

Organization

- Missouri First will be governed by the Board of Directors within the constraints of this charter.
- Normal operational decisions will be decided upon by a simple majority vote, but a conviction objection by one or more board members will nullify the decision.
- Changes to the charter will be only upon unanimous consent of the Board.
- Removal of any Board member may be accomplished by unanimous consent of the remaining Board members.
- Addition of new Board members may be accomplished by unanimous consent of the existing Board members up to a maximum of seven members..
- Removal of any member may be accomplished by unanimous consent of the Board.

Since the 10th Amendment makes it clear that all powers not granted to the federal government are reserved to the states and the People, the regulation of the ownership of arms is a state, not a federal matter.

That applies to ALL such regulation.

We must demand from our legislators no less than the strongest, most principled stand they can take to defend our right to keep and bear arms!

Rep. Doug Funderburk and Sen. Brian Nieves' "Second Amendment Preservation Act" is the strongest and most principled protection of the right to keep and bear arms in the nation!.

Notice that it utilizes the words of Thomas Jefferson and James Madison to explain Missouri's authority to nullify unconstitutional federal edicts within her borders.
